

2025 Brainerd Invitational

A new age division is being added to the Blue Tee Division for the Brainerd Invitational this year. There will be three age divisions: 39 & Under, 40-54, and 55 & Above. The White Tee Senior division will remain unchanged.

Seniors will have the option to choose between playing White Tees or Blue Tees. Seniors competing from the Blue Tees will be eligible for prizes within their respective age group and for the overall Brainerd Championship, in accordance with the rules applied to the 40-54 age division.

Player age classifications will be based on the participant's age as of the end of the calendar year, rather than on the first day of the tournament. This allows participants who reach ages 40, 55, or 65 after the tournament begins but before year's end to compete in the next age group. For instance, a participant turning 55 in September is permitted to enter as a Senior.
